**'THEY ALSO SERVE WHO ONLY STAND AND WAIT'**

The photo that you see above  
Depicts the girls who serve your grub.  
They serve the food and clean the dishes,  
And cook the meal to suit your wishes.  
They have to stand and dish it out,  
And sometimes even have to shout  
At hungry lads, who, some might say,  
Have seen no food for many a day.
