ST. EDWARD'S COLLEGE, 2003 JUBILEE

150th Anniversary of the Foundation of the School

Some exciting events are being planned next year to mark this great anniversary of St. Edward's. The school was founded as the Catholic Institute in Hope Street in 1853 by Father James Nugent (1822-1905) and formally opened by Cardinal Wiseman on 31 October, 1853.

Great efforts are being made in contacting all former pupils. Many have registered on the school website. Any former pupils who are not currently on the OE Database should either register via the website or write to the Registrar at the school with their details, including the years during which they attended the school.

St Edward's College 2001

All Old Edwardians are invited to submit the details of any OEs with whom they are in contact. The database currently holds the records of about 2,000 OEs; although this may sound a good number, with an average of 100 pupils leaving the school each year, the figure should stand nearer to 7,000 if pupils born only since 1930 are taken into account! Much remains to be done... Please help - Contact Mr Terry Duffy at the College.

The July 2002 issue of the Edwardian will have details of all the exciting forth coming events.

YEAR 12 PRESENTATION AND COMMUNICATIONS SKILLS DAY

Mr J Waszek and Mrs E Chadwick

During the morning, time is spent specifically addressing the UCAS application.

After the interviews, Mr Mike Roome from Liverpool Education Authority ~~speaks~~ to the pupils about student loans.

The Year 12 Presentation and Communication Skills Day in July is part of an ongoing personal development programme during which pupils are ~~being~~ prepared for success in University and employment interviews, as well as developing important interpersonal skills.

Pupils are given the opportunity to be interviewed by professional people who can make assessments of their performance in debrief at the end of the morning. At the same time pupils make self-assessments of their own performance and learn something about effective communication and making an impression at interview.

THE JOY OF GIVING

"I know through personal experience that there is no greater joy than giving".

In 1998, I started to collect used postage stamps for Diabetes UK and foreign coins for Marie Curie Cancer Care. Since then I have gone on to raise £8,500 for Marie Curie.

In 1999, I decided to raise money for Claire House Hospice, Wirral. I called it my *Pence Appeal*. I raised a total of £3,600. At the beginning of this year I decided to support Woodland's Hospice as it was their 5th Anniversary. My target was to raise £5,000. I called it my *5p Appeal*. So far this year, in total, I have raised £7,100 and collected approximately 70,000 stamps for Diabetes UK. Since 1998 I have raised £14,700 and collected 200,000 stamps.

I have plans for next year because I know through personal experience that there is no greater joy than giving.

SHOE BOX APPEAL

112 gift-filled shoe boxes made up by pupils are winging their way to the 'Operation Christmas Child' appeal. The boxes will be distributed to children who have suffered because of war, natural disaster, poverty, illness or neglect.

This term in the Music and Liturgy Group, we have devoted most of our time to preparing an Advent Service, which was held in the Chapel at lunchtime on Wednesday 5 December.

As well as this we have undertaken to look after the Peace Flame, kept in the Chapel. This flame was presented to the school at the St Edward's Day Mass, by Jenny Jones, a former Head Girl, who is a member of the World Peace Organisation. We have also been caring for the flowers, which have been donated for the Chapel, and tending to its general up keep and decoration.

CHRISTMAS SERVICE AT ST MARY'S

College term ends with a wonderful Christmas Service at St. Mary's Church, West Derby

The Rector of St Mary's Church, Rev Roger Wikeley with Mr Terry Duffy

Every year, the Advent term ends with a wonderful Christmas Service at St Mary's Church in West Derby Village at the kind invitation of the Rev Roger Wikeley and his parishoners. The pupils' from Years 7-11 walk down to the Church escorted by members of staff. This year the newly formed College Chorus, a staff and pupil choir, led the service with traditional carols. Rev Henry Kirk, chaplain from ~~The Birkenhead School~~ delivered the homily.

AMNESTY INTERNATIONAL

The Amnesty International Group for Middle and Upper School continues to flourish, with a committed group of pupils meeting on a Friday lunchtime in the ICT room of St Clare to write letters to prisoners of conscience and appeal to governments concerning the use of torture and wrongful imprisonment.

A recent meeting of *Asylum Link Merseyside* held in the Friends Meeting House in Paradise Street, Liverpool was attended by Amnesty members. Speeches given by the organisers and asylum seekers were moving and awareness-raising.

LOURDES PILGRIMAGE 2002 *pupils*

Last Easter, a group of 23 Upper School students ~~from St Edmund's College~~ joined the HCPT pilgrimage to Lourdes. To reduce the cost of the trip, numerous fundraising activities were organised. This year, ~~with pupils travelling to Lourdes~~, we are looking to raise the rather daunting sum of £400 per pupil. There have been cake sales held each week, which have proved extremely popular, as well as various raffles taking place at school functions. Mr Brooks has also enjoyed developing his car washing skills at ~~the~~ Basil Grange residential home. Football tournaments have also been held, raising several hundred pounds for the worthwhile cause. Currently being collected are foreign coins and notes, which can be exchanged for English pounds, and a substantial sum is sure to be amounted from this. If you do have any unwanted foreign currency, please do not hesitate to send it into school.

The pilgrimage to Lourdes is a fantastic experience for all involved. Many of the children we accompany have never had a holiday before and it is often a once in a lifetime opportunity. It is also a break for their families. So with hard work and continued fund-raising we hope to make this Easter's Pilgrimage just as special for those disabled children whom we serve.

JUNIOR COLOURS DAY

The Presentation of Colours Awards enables the College and the staff to recognise publicly the tremendous contribution that is made each and every day by College pupils.

Mark Quayle with Michael Shaw and Michael Rock,

On Thursday 5 July Mark Quayle (OE 90-95) came to school to present the Colours awards to the pupils.

During his time at the College, Mark was an outstanding all round sportsman. He represented the College at Rugby, Cricket, Athletics and Swimming and captained the Rugby team in Years 7 to 10.

Mark was selected to play for Liverpool Boys team in 1993 where he played as a forward. He was selected to attend Lilleshall FA Centre of Excellence along with Michael Branch but chose to continue his education at St Edward's. He was signed by Everton Football Club as a school boy and then became an apprentice. During this time he continued his A level studies on a part-time basis at the College. He left Everton when he was 18 and was signed by Notts County Football Club. After suffering a succession of injuries he now plays for Morecambe where he is one of the leading goal scorers. His highlight of last season was scoring the winning goal for Morecambe in the FA Cup Third Round which was televised on *Match of the Day*.

The unveiling of the Commemorative Plaque

Gerard Houllier unveils the Commemorative Plaque

"In this spirit our Chief Guest today, Gerard Houllier epitomises the way forward, provides a role model for us all, and having spent some of his earlier life teaching languages in this City, is the ideal person to perform this opening. Our children also need to have the skills that will enable them not only to enjoy life but also make a living in this world. With these thoughts in mind and before a short concert which will reflect our languages and cultures, I would now like to invite Mr Houllier to unveil a plaque commemorating today".

Guests were treated to a concert in the College Hall celebrating music in Chinese, Spanish, French and German performed by the Chamber Orchestra and Chamber Choir conducted by Mr John Moseley and the Cathedral Choristers directed by Mr Mervyn Cousins.

YEAR 7 DRAMA FESTIVAL

This year's Drama Festival for Year 7 took the theme of *Heroes and Villains*.

The link characters, directed by the Y12 AVCE pupils came from the Year 7 Drama Club and were portrayed as SEC pupils whose parents are Virtual Reality. Trying to do their homework they enlist the help of servers who lead them through various websites on the theme of *Heroes and Villains*. The classes chose a different website to dramatise and each Year 7 English teacher wrote a 12 minute script for their class.

The Year 7 Drama Group

Each class took a different aspect of the theme:

7D examined the world of the BBC. Everyone wanted to be the Employee of the Year, resulting in rivalry and tension. As a result, conflict broke out and the tea-boy and tea-girl helped them to see sense. Working together and appreciating each other was more important than self-glorification. They danced together to M People's *Search for the Hero Inside*.

7M relax during scenes

7S explored the world of spies as heroes in the popular culture of film bringing Austin Powers, Star Wars and James Bond to life. Austin Powers, played by Anthony Hannah stole the show and their dance routine to the soundtrack from the film was legendary.

The Year 12 AVCE Performing Arts group assisted greatly this year. Two pupils were assigned to each class and they were assessed on their contribution to devising, staging, rehearsing and help in directing the piece.

The production played to full houses on Tuesday and Wednesday 17/18 July and was a resounding success.

7H looked at the idea of villains through the work of banking and corporate finance. They took a global approach and dramatised the impact of multinational companies on the farmer or small craftsman. Their dance routine featured the song *Reach Out*.

7M explored the theme of Hercules, as a Greek hero and involved the use of a Greek chorus, as well as giving it a contemporary edge by incorporating a dance routine from the musical *Grease*.

CHARLIE & THE CHOCOLATE FACTORY

This year's Lower School production was *Charlie and the Chocolate Factory*. Starring Aiden Cottrell-Boyce as Charlie Bucket, Emily Jones as Willy Wonka and Adam Campbell as Grandpa Joe, the story recounts the famous children's tale by Roald Dahl. Leanne Kinsella played Veruca Salt, Joseph McLoughlin was Mike Teavee, Helen Murray played Violet Beauregarde and Mark Gillon was Augustus Gloop.

Mark Gillon as Augustus Gloop

Peter Higham and Charlotte Holt as Mr & Mrs Salt

Jennifer Hastings, Jenny Gordon, Sarah Richardson, Marcus Buck, Emily Jones, Siobhan Morris, Kay Fitzpatrick & Laura Hogan

Fine performances were given from all the cast and the Year 12 and 13 AVCE Performing Arts groups excelled themselves by helping with ticket sales, poster design, choreography, backstage and helping with the directing.

Rivals Rehearsals

Rehearsals for the Upper School production of *The Rivals* are in progress and this lavish restoration comedy promises to be a huge success. It will be performed in March 2002 and tickets will be on sale February 2002.

Trips and Outings

THEATRE TRIPS

The Years 12 and 13 Performing Arts AVCE groups have enjoyed a wide ranging diet of Theatre in the form of trips to see **Medea** by Theatr Babel at the Library Theatre in Manchester, a text studied for their Historical and Contemporary Context unit; **Oedipus** at the Everyman, Liverpool; **The Iron Man** at the Unity, Liverpool and **The Play What I Wrote**, a comedy at the Liverpool Playhouse.

Other behind the scenes experiences have included:

A backstage tour of the Theatre Royal, St Helen's where pupils were able to interview box office managers, stage managers and the director, courtesy of Mrs Jane Joseph, a College Parent.

The Everyman and Playhouse education department invited them to go to a talk by the director of and set designer for **Les Liaisons Dangereuses**. Bernard Martin of TEAM - a marketing agency for the entertainment industry on Merseyside gave a talk at St John Bosco.

Beauty & The Beast - On Sunday 25 November, 69 Year 7 pupils went to the Empire Theatre in Liverpool to see Disney's *Beauty and the Beast*. It was a spectacular performance with vibrant song and dance routines and amazing special effects. The set was breathtaking and an enjoyable time was had by all.

Oliver Twist - On Saturday 15 December, 20 Year 8 pupils went to see *Oliver Twist* at the Playhouse in Liverpool.

To Kill a Mocking Bird - In November Year 11 pupils went to Theatr Clwyd to see a dramatisation of *To Kill a Mocking Bird* (a GCSE text). An unusual performance of the hugely successful novel by Harper Lee, the production overcame the translation from novel to drama and was thought provoking and warmly received.

KINGSWOOD CENTRE, HERTFORDSHIRE

An activity weekend at Kingswood Centre, Hertfordshire was enjoyed by five pupils from St. Edward's College as part of the Excellence in Cities Gifted and Talented Initiative 2001 in May 2001.

ALTON TOWERS

An end of term treat for Y10 pupils was a trip to Alton Towers this summer.. It proved to be a fun day for pupils AND staff every picture tells a story!

CHALLENGE 150 - Training Weekend for Nepal 2003 16-18 November 2001

Our training weekend to test new kit and senses of humour was carried out this weekend. We left after school on Friday and headed for our base, which was the Sea Cadet Corps Sail Training Centre at Hollingworth Lake, near Rochdale. They all seemed to get on well, because they were still talking at 0100! Saturday morning was cloudy, but mild with no indication of rain, so we set out about 0930 to walk some 15 kilometres over the Pennines. There must be something about this group and mud! They seemed to find the deepest and peatiest that there was on the trail! It was a good walk and we got back to the Centre about 1545, somewhat tired. Once again they were still talking at 0100! We departed on Sunday morning, but not until we had walked around the lake. Back at College at 1130 we handed children and muddy kit over to parents. All in all, a very good first weekend. The next session will be when we have snow on the ground and we will have an overnight wilderness camp - just to see how cold it can be.

The trip was enlivened by the somewhat bizarre eating habits of some of the group. A certain pair of boys had sophisticated catering plans, but were unable to light the portable barbeque they had brought with them, causing a high degree of embarrassment for one who is an Arkwright Scholar.

PREPARING FOR THIS YEAR'S FIRST CONCERT

This year's first School Orchestra and Brass Ensemble concert *The Dance* was held on Wednesday 21 November in the College Hall. It was an exciting but difficult programme and weeks of endless practice preceded it. The morning of the concert was devoted to last minute rehearsals. Everything was going well and by the end of the morning, everyone was on top form.

We were all promptly back in school in spotless uniforms by 1900. A touch of last minute nerves ran through the Recital Room as everyone eagerly awaited the start of the concert. For some, this was their first. As we walked into the hall full of parents, pupils and teachers, the nerves were gone and the concert began with three dances by Byrd followed by Philip Freeman playing 3 solo flute dances accompanied by strings. The first half reached an exciting climax with the well-known Ballet Suite from *Swan Lake* by Tchaikovsky.

The Brass Ensemble directed by Miss Louise Hough, performed a great variety of short dances, then the concert was concluded with *Music from Vienna* by Johann Strauss and three French dances ending with the *Can-Can* by Offenbach. Much stamina was needed to keep playing with full energy and concentration.

It was a great success and was enjoyed by an enthusiastic audience. A big thank you to everyone and especially to Mr Moseley and Miss Hough.

RUGBY

The U12s rugby team started the season exceptionally well, losing just once in nine matches. A lot of very competent players are emerging and every player in the squad has a tremendous level of commitment and determination. Special mention must go to the captain Alex Casimo and his vice captain Gerald Birrell. Both players display an extraordinary level of courage and leadership qualities. Also, a special mention must be made of Namake Osuji who has averaged at least one try in every match that he has played.

One of the highlights of the season so far has been the 56-0 defeat of Hutton Grammar School. Throughout the season so far, the team has scored 224 points and conceded just 30! Well done to the whole squad.

Special tribute must be paid to Mr Thornton for all his excellent help. The boys will never forget his fitness sessions!

O

This season has seen the best start by St. Edward's College rugby teams for over ten years. With the exception of the First XV, who are very young this year and rebuilding after the successes of previous seasons, all teams have recorded wins in more than half of their matches.

Special mention must be given to the U12s whose enthusiasm has provided a superb season so far - only losing one match before Christmas.

Thanks to coaches, captains and players and let's hope that all teams keep up their winning ways in the New Year.

The successful U14s en route to another victory

NETBALL

The season this year has started well, all Year's have notched up some good wins. The first year of the Liverpool League has added more excitement to the Liverpool fixtures. At the County Round of the National Competition, the U14s finished a good 7th in their round robin. The event proved to be a valuable learning experience with the team realising the level they needed to achieve. The U16s finished 3rd and the Seniors finished 6th in their group.

Congratulations to all the teams who have played well during the season. Year 7 have won 5 out of their 6 matches. Their only loss was against St Julie's High School. It has been an excellent start to their campaign. Year 8 have worked well and are very competitive, which is reflected in their 5 wins, 1 draw, an excellent start. Year 9 have had mixed results, 3 wins and 3 losses. However, during all their matches they have kept going until the final whistle. Year 10 have lost 4 and won 1 although every match has been a close contest. The U16s have won 5, lost 1. The loss, an exciting and competitive match, was against ~~St Edward's~~ School, Newton-le-Wilows. Play was end to end and it was a shame that any team had to lose. The Seniors, consisting mainly of Y13 girls, have played very well in their last season. They have kept a clean sheet with 5 wins out of 5. They are setting a very good example to all the other Years. All teams are now looking forward to the rest of the season, especially the City Championships.

CRICKET

In July 2001, St. Edward's U14 team made it through to the final of the Liverpool Schools' Cup held at Sefton Park. Unfortunately, they were narrowly beaten on the day.

The U15 Cricket team also made it to the final of the Liverpool Schools' Cup. Unfortunately, they lost the final for the third consecutive year. This was in spite of an excellent season, captained and vice-captained by Daniel Hints and Alexander O'Hara respectively.

Lancaster U17 semi-final at Lancaster Grammar School

In July 2001, St. Edward's U17 team made it through to the semi-final of the Lancashire U17 cup competition. They played Lancaster Royal Grammar School on a beautiful warm day. St Edward's scored 89 runs for 10 wickets in their allotted 40 overs and Lancaster knocked the run off for the loss of 2 wickets. Valuable experience was gained for next season.
