Picture 3 (above) was taken in Lourdes towards the end of April 1954, during the Easter holidays. The College was taking part in not only one of its first trips abroad, but also the first of the National Youth pilgrimages to Lourdes. The cost of the trip was £26. Pictured are Brothers O'Brien, Coffey, Mulowney, Mr Morris and Mr Fraser. Of pupils the top right is Dermot Rorke, next but one to him is Brian Wren, next to him is Bernard Lowe. Also in the photograph are Tony Griffiths, John Butchard and Michael Doyle.

The photographs in the last edition of 'The Edwardian' brought a massive response:

In Picture 1 (left) almost all athletes were identified. The photograph was taken around 1954 and on the back row the centre three left to right are Peter Comerford, Peter Snape and Brian Marshall. The seated athlete in the centre is Tony Linford with Phil McKenna on his right.

In Picture 2 (right) Brother Coffey was recognised overlooking George Buckels (seated and without glasses) and to his right stands John Holden.

Thank you to all who wrote in.

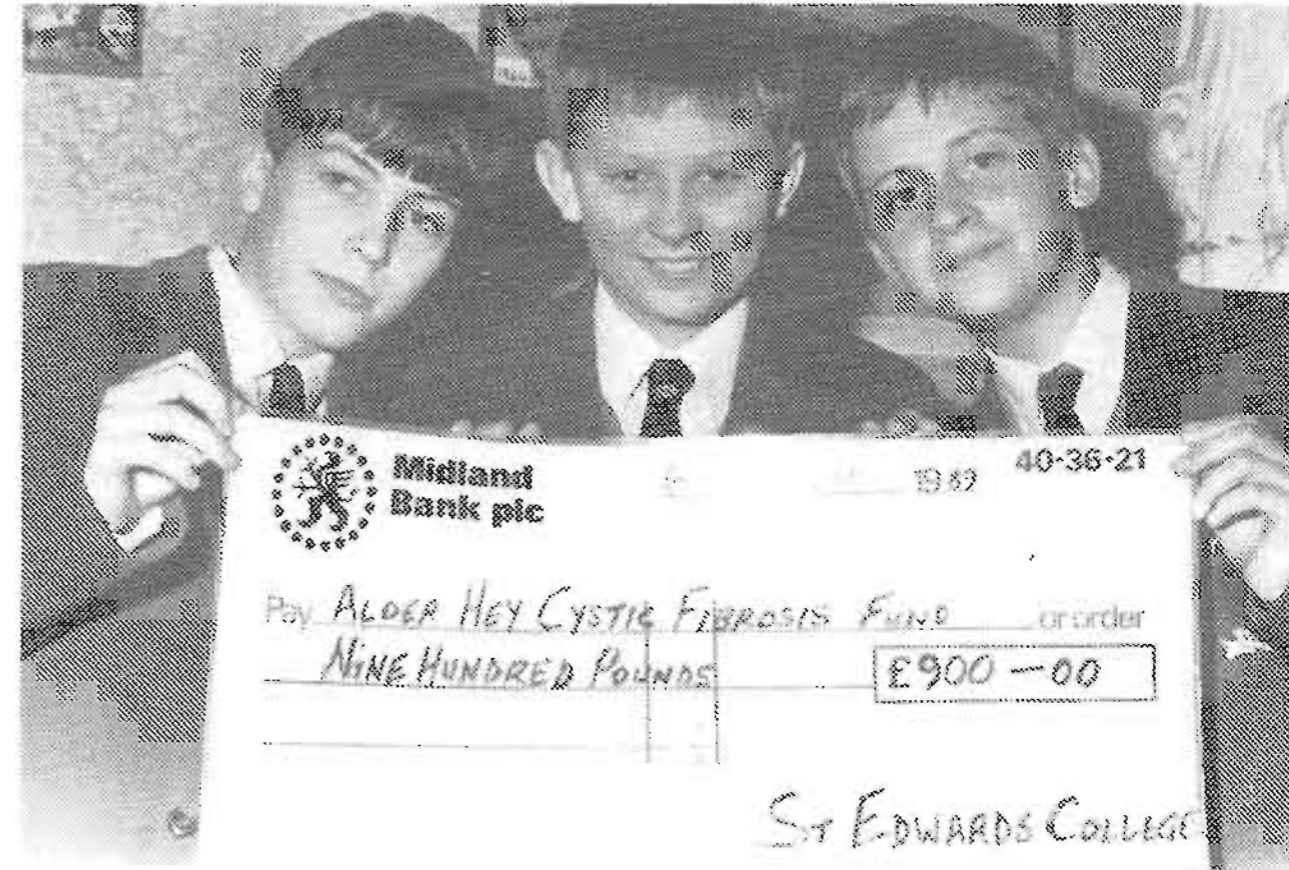

THE school photographer visited us recently. All he said was 'Smile!' For some, this was more difficult than for others!

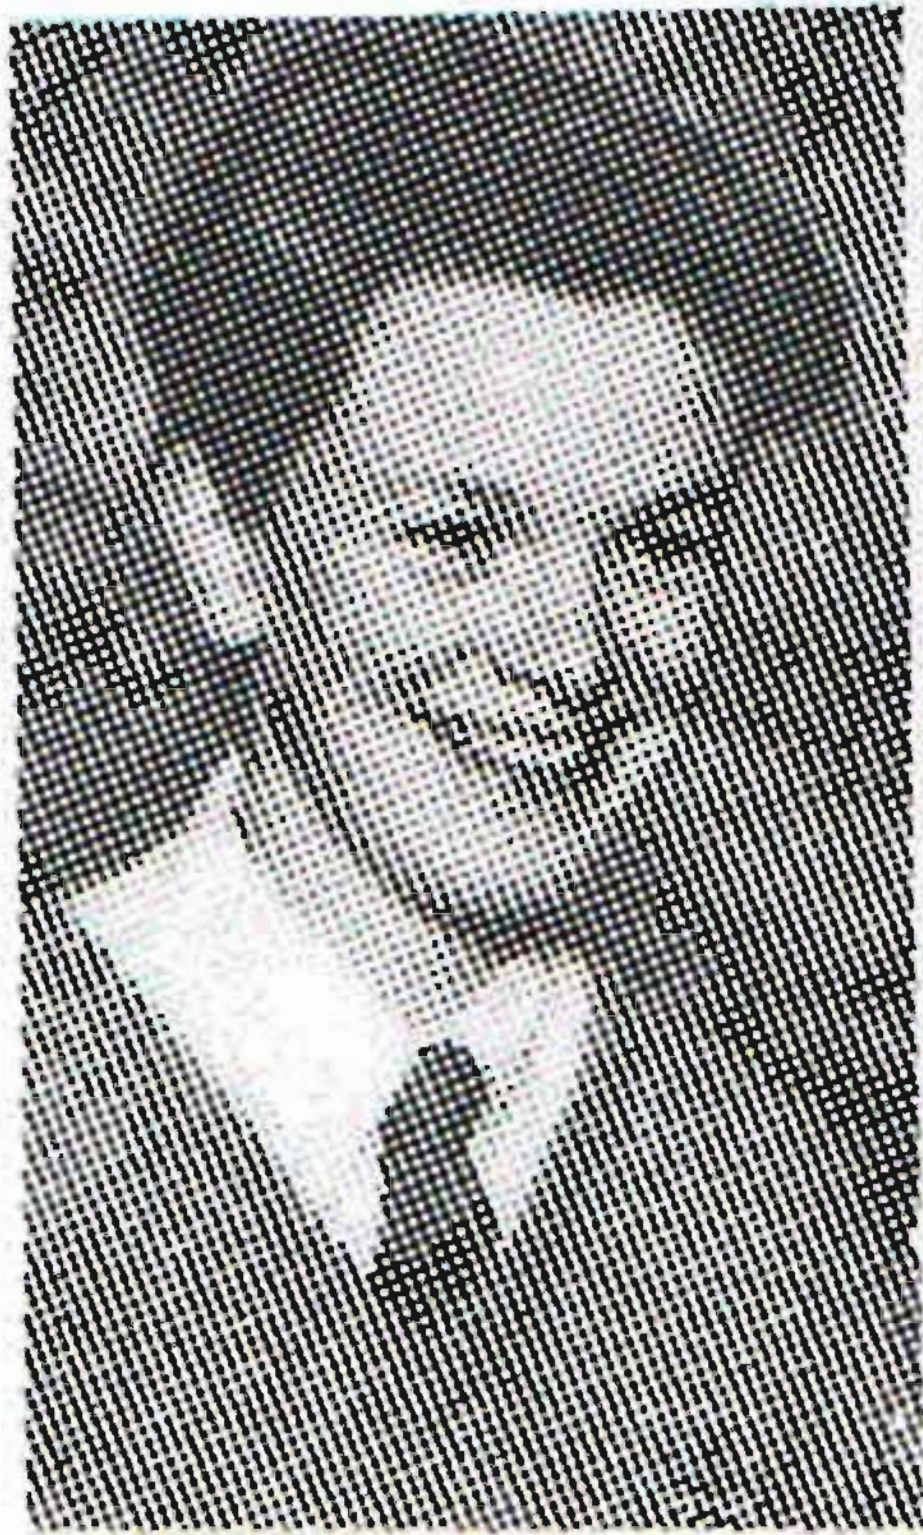

Bathing Beauties

A holiday snap from the 1989 trip to La Rochelle — and the St Edward's Bathing Beauty Contest.

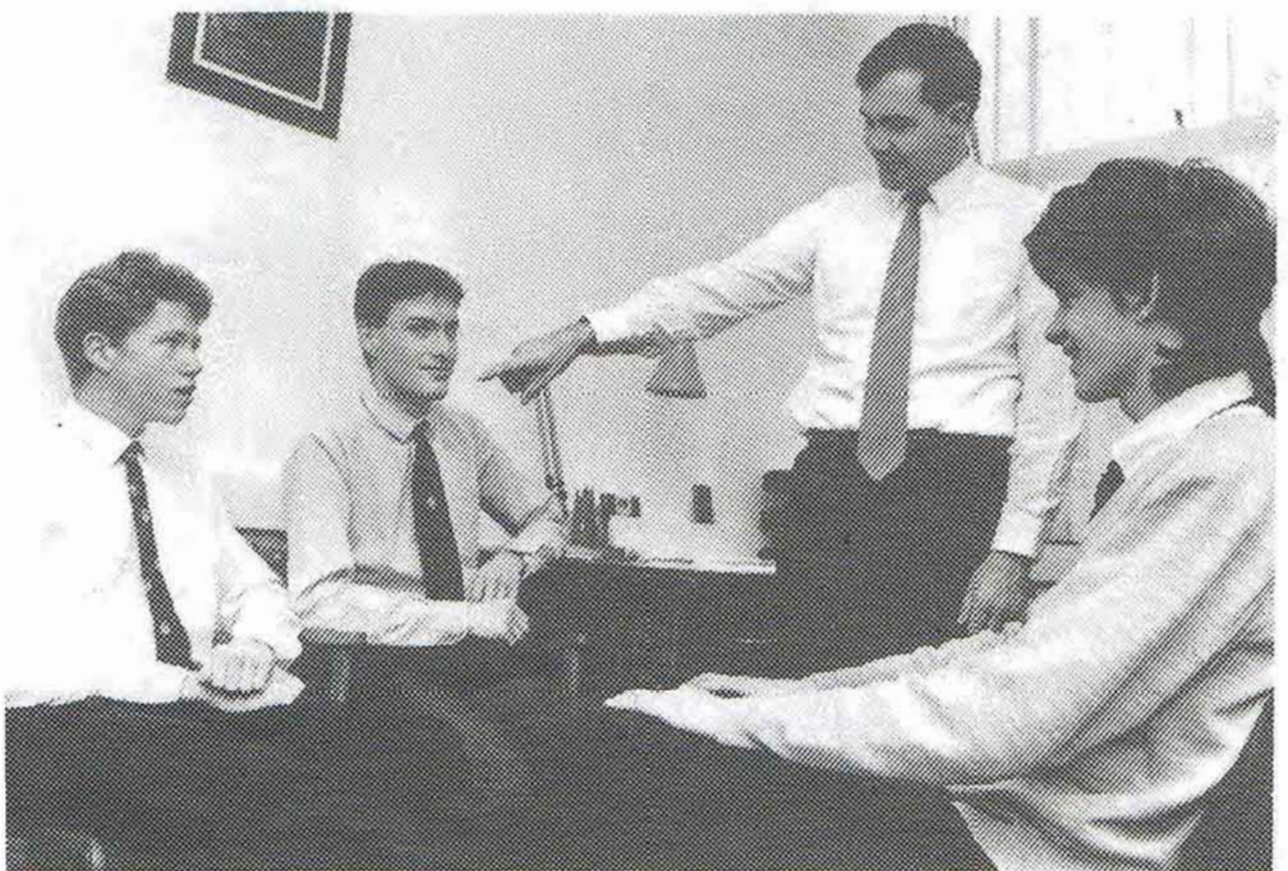

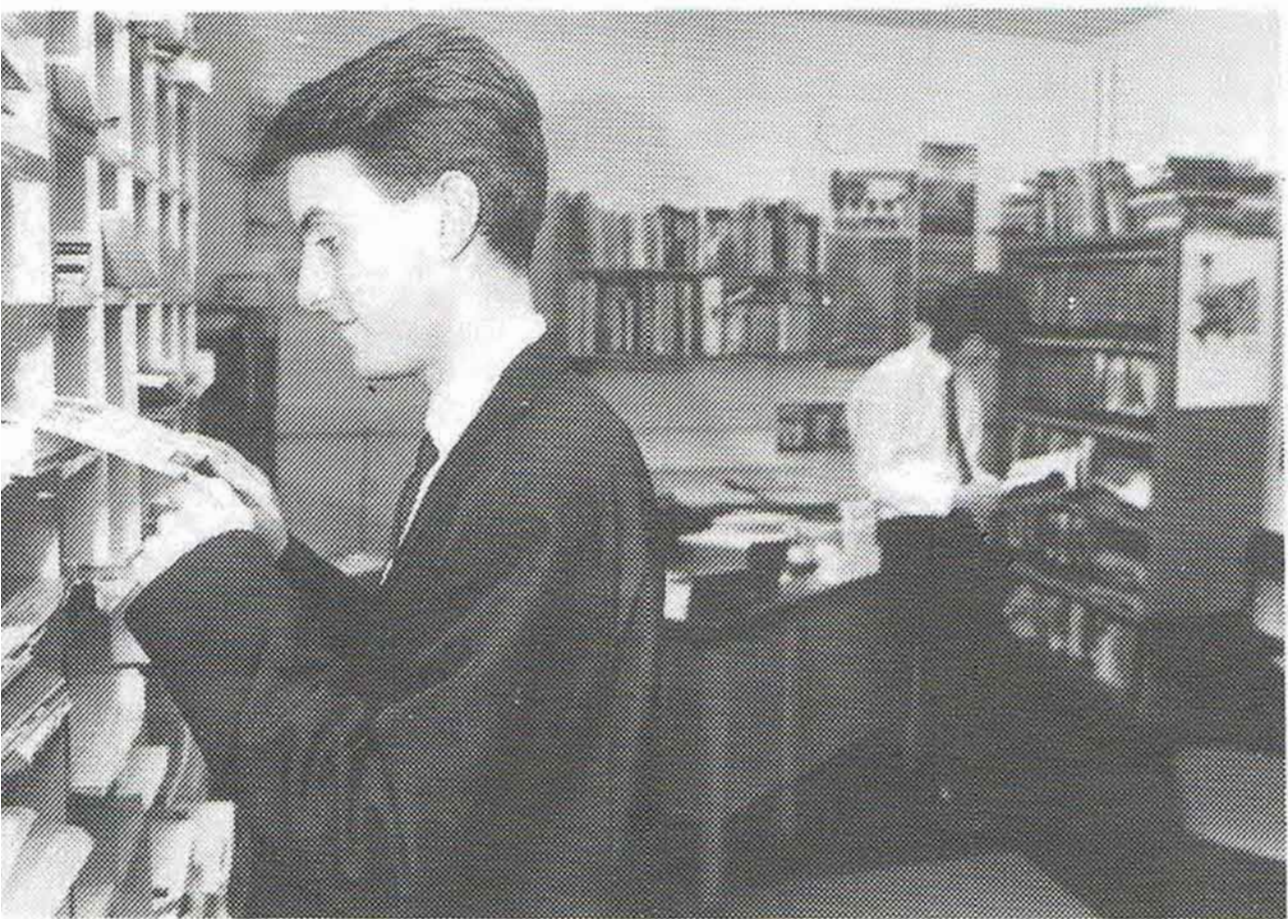

PICTURED here are first year pupils Graham Ion, Peter Birrell and John Atkinson with a cheque for £900 for the Cystic Fibrosis appeal at Alder Hey hospital. The money was raised by Form One from sponsored activities, and was presented to Dr David Heaf just before Christmas.
